**Walk to End Alzheimer's!**

We all know or have known someone with Alzheimer's Disease or some other form of Dementia. We all know how devastating it can be to a person and their loved ones. On Saturday, September 22<sup>nd</sup> the Alzheimer's Association is have a Walk to End Alzheimer's event in Bismarck and we are putting together a team to take fundraise for the association and to take part in that walk. The walk is at Sertoma Park. Registration begins at 9 AM and the walk starts at 10:20 AM. To join the PLC team, go to <http://act.alz.org/goto/peacelutheranlinton>.

**August 15<sup>th</sup> Volunteer Opportunities**

For those who like to help out around our community, keep August 15<sup>th</sup> in mind. August 15<sup>th</sup> is the United Way's Day of Caring. As this article was being written, details have not yet been announced about what projects are available, but last year there was painting, cleaning, and all sorts of good done around town. Go to <https://www.msaunitedway.org/doc> for more information. (On the lower right hand side of the above page is a link for volunteers. Projects and their details may be updated there.)

Also on August 15<sup>th</sup>, the Emmons County Food Pantry with the Great Plains Food Bank will have another perishables distribution across from the Senior Center from 1:00-2:30. Volunteers are needed to help distribute the food to those who come and to move unclaimed food to the Food Pantry afterwards. There are no requirements to receive food except that one be a resident of Emmons County. Everyone is welcome regardless of need and there is usually more than enough food to go around.

† **Memorials** †

During July, donations were given in memory of Jonathan Lawler to the Parsonage Kitchen Remodel Fund from Mike & Lil Kunz; in memory of Sherwin Nolz to the Parsonage Kitchen Remodel Fund from Mike & Lil Kunz; in memory of Daniel Karl Vander Wal to the Parsonage Kitchen Remodel Fund from Mike & Lil Kunz; in memory of Donna Schwab to the Parsonage Kitchen Remodel Fund from The American Legion Auxiliary and Pastor Sean Barnhart; and in memory of Laurie Hanson to the Youth Group from Stan & Dorothy Naumann.†

The Bible is meant to be bread for daily use, not cake for special occasions!

Thank You to all who have given to the Parsonage Fund for the kitchen remodel, both through memorials and other donations. The project is moving along, and we have kept up with the billing aspect so far.

Our offerings for “Missions” in July was for “**Cystic Fibrosis Foundation**”. As of July 22<sup>nd</sup>, we have collected \$308.50 for them.

For the month of **August**, offering designated “Missions” on your offering envelope goes to **Empowering Lives Together**. Please see the following information on our project for this month.

## **Peace Lutheran Church...** **“Empowering Lives Together”** **Mission of the Month** **August 2018**

Empowering Lives Together (ELT) is a Christian organization that assists people residing near Petite-Rivière, Haiti. We work as encouragers by helping develop skills and providing the initial means to allow people to become self-supporting. This in turn, enables them to give back to their community and encourage others. Working with the extraordinary talents and eagerness of the villagers, projects are funded and then people are taught how to run the small businesses. It becomes *theirs* not *ours*. Our goal is always to “give a hand up- not a handout”.

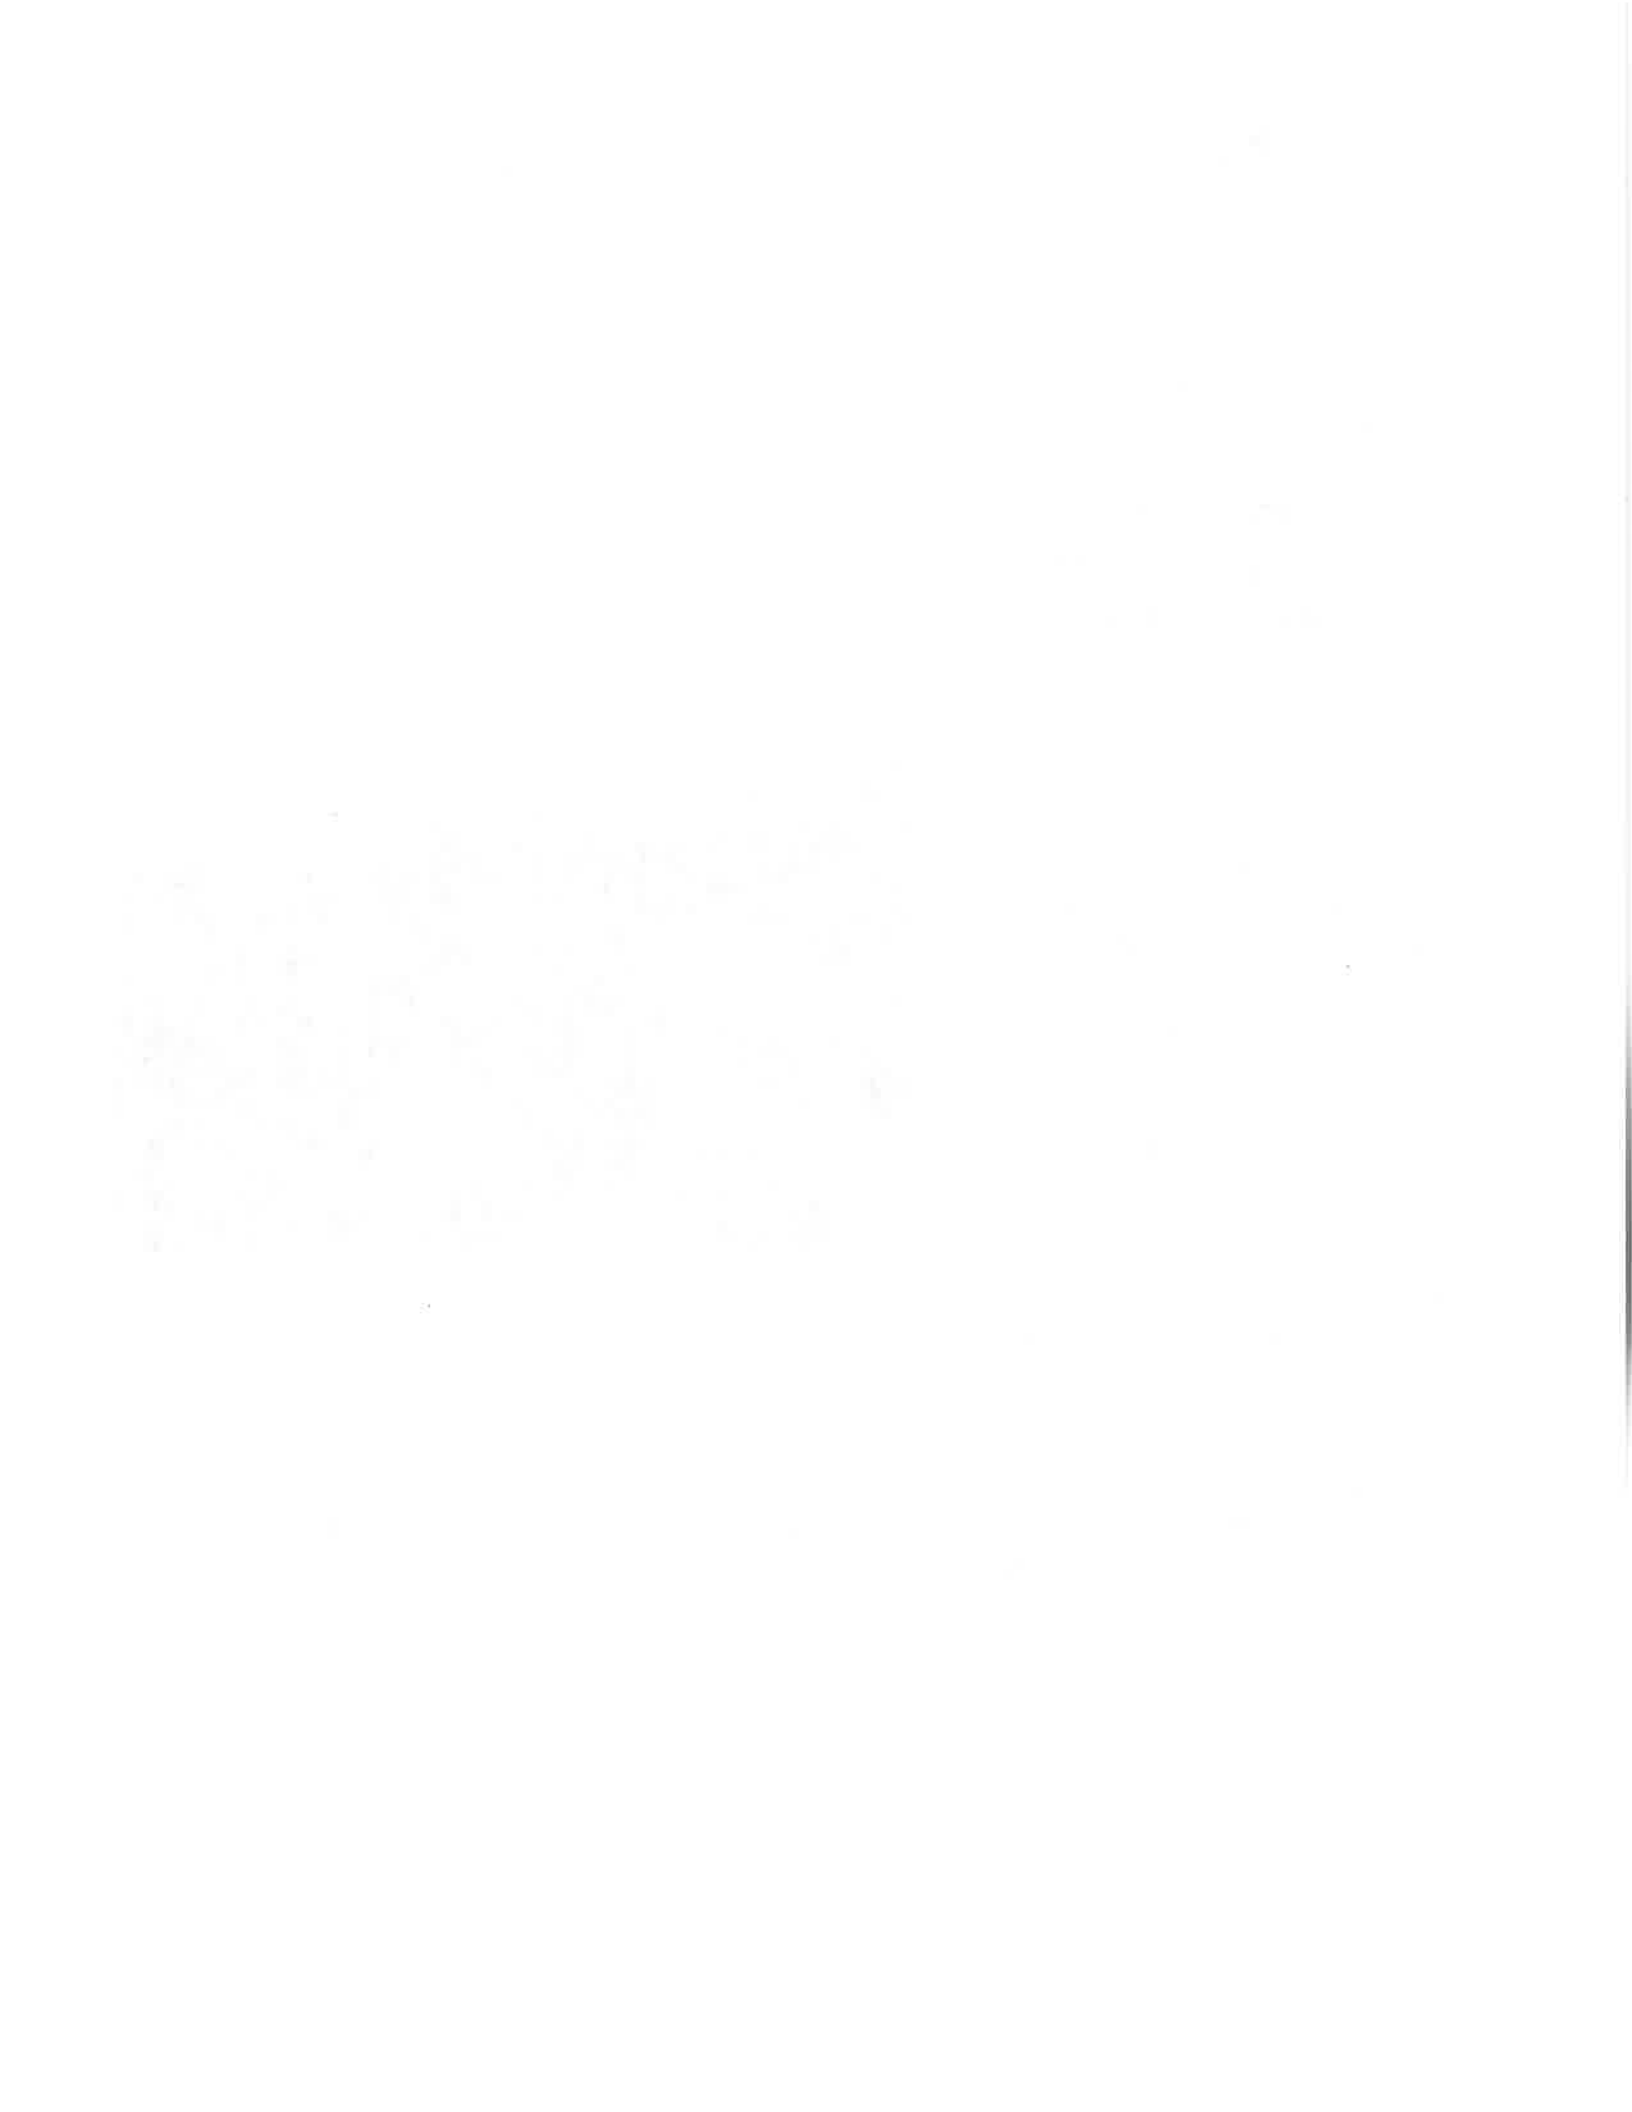

It is a blessing to plant the seeds and then watch them grow.

Some of the current needs for Petite-Rivière include:

- Chicken House: There is a need for a brooding house in Petite Rivière – cost is \$3000 to build plus cost of chickens. These are at current costs.
- Home healthcare program: The home health program will continue to need support for staff salary at \$100/month, and medication costs of \$100 a month.
- Clinic/Sewing School: The building we use for our home healthcare will also be used for the planned sewing school. The sewing school needs include the purchase of electric and treadle machines at a cost of approximately \$3800; a need to fund large tables and supplies such as scissors, pins, and the initial material purchases, as well as salary for the instructor, and sponsors for the students.
- Wells: There are two additional artesian wells needed at a cost of \$2100 each.
- Food: Since hurricane Matthew, the fruit trees have been destroyed or damaged. It will take time for them to produce again. In the meantime, food is still very much needed in the villages. It costs approximately \$1000 to take rice to the villages of Teneti, Madame Pierre’s, and Petite Rivière. We also provide de-wormer medication every six months to these villages.
